

Day 1, 11/11(Mon)

Plenary Session (09:30~12:00)	
Moderator : Eunhui Eom (Secretariat of Symposium)	
Opening Ceremony	Welcome Address Soojin Park (Director of SNU Asia Center) Congratulatory Remarks Kong-Joo Lee (Presidential Science and Technology aide) Dong Young Noh (Vice-President of SNU) Bong Joo Lee (Dean of College of Social Science, SNU) Won-Il Choi (Secretary General of Korea Foundation for International Healthcare)
Introduction	Joon Kim (Professor of Department of Landscape Architecture and Rural Systems Engineering, SNU & Director of Future Earth Program, SNUAC) <i>“Symposium Rationale, Framework & Expected Outcome”</i>
Keynote 1	Ki-moon Ban (Chairman of National Council on Climate and Air Quality, the 8th Secretary-General of the United Nations) <i>“Future Earth Asia and Global SDGs”</i>
Keynote 2	Soonchang Yoon (Chair of Future Earth Korea National Committee) <i>“Perspectives of Future Earth in East Asia”</i>

Session 1: Future Earth Asia - Health KAN (13:30~15:00)	
Chair : Soonchang Yoon (Chair of Future Earth Korea National Committee)	
Presentation 1	Fumiko Kasuga (Global Hub Director – Japan of Future Earth & Senior Fellow of National Institute for Environmental Studies) <i>“Future Earth and Health KAN”</i>
Presentation 2	Ho Kim (Dean of Graduate School of Public Health, SNU) <i>“Human Health in the Anthropocene Era: Air Pollution and Climate Change”</i>
Presentation 3	Roberto F. Ranola (Professor of Agricultural Economics, University of the Philippines Los Banos & Regional Center for Asia Member, Future Earth) <i>“Future Earth in the Philippines”</i>
Presentation 4	Chuluun Togtokh (Director of Institute of Sustainability, Mongolian National University & Chair of Future Earth Mongolia) <i>“Future Earth in Mongolia and Health KAN”</i>

Session 2: Social-Ecological Perspective (15:30~18:00)	
Chair: Byung-Ju Sohn (Professor of School of Earth and Environmental Sciences, SNU)	
Presentation 1	Joon Kim (Professor of Department of Landscape Architecture and Rural Systems Engineering, SNU) <i>“Responsibility, Justice, and Sustainability Science”</i>
Presentation 2	Qian Ye (Executive Director of International Project Office Integrated Risk Governance Project) <i>"Integrated Risk Governance in China's Coastal Cities in the Context of Aging Society".</i>
Presentation 3	Decibel V. Faustino-Eslava (Dean and Associate Professor of School of Environmental Science and Management, University of the Philippines Los Banos) <i>“Social-Economic Impacts of Climate Changes and Disaster Risk Governance in the Philippines”</i>
Presentation 4	Nan Ying (Professor of College of Geography and Ocean Science, Yanbian University) <i>“Landscape Sustainability in Transnational Area of Tumen River”</i>
Presentation 5	Kyung-Ja Ha (Professor of Department of Atmospheric Science, Pusan National University) <i>“Impacts of Monsoon on Social-Ecological Systems in Asia”</i>
Discussion	Discussants Ilhong Ko (Research Fellow of SNU Asia Center) Hun Park (Research Fellow of Institute for Climate Change Action) Rapporteur Daehyun Kim (Professor of Department of Geography, SNU)

Day 2, 11/12(Tue)

Session 3: Co-production of Usable Knowledge (9:30~12:00)	
Chair: Suk-Ki Kong (Research Fellow of SNU Asia Center)	
Presentation 1	Battogtokh Dorjgotov (Professor of Institute of Geography and Geoecology, Mongolian Academy of Science) <i>“Effective Knowledge Management: Integrating the Stakeholders in One Platform”</i>
Presentation 2	Kilkon Ko (Professor of Graduate School of Public Administration, SNU) <i>“Knowledge Management and Platform Building across Asia: SNU Asia Center’s Approach”</i>
Presentation 3	Dahlia Simangan (Assistant Professor of Graduate School for International Development and Cooperation, Hiroshima University) <i>“Peace and Sustainability Initiative in Hiroshima University”</i>
Presentation 4	In Bok Lee (Professor of Department of Landscape Architecture and Rural Systems Engineering, SNU) <i>“Social-Ecological Concerns on Livestock Disease in East Asia”</i>
Presentation 5	Jihyun Yoon (Professor of Department of Food & Nutrition, SNU) <i>“Sustainable Diets: From Concept to Practice”</i>
Discussion	Discussants Jungwon Huh (Research Fellow of SNU Asia Center) Hoonchong Yi (Senior Research Fellow of Institute for Korean Regional Studies, SNU) Rapporteur Chuluun Togtokh (Director of Institute of Sustainability, Mongolian National University)

Session 4: Linking with Action (13:30~16:00)	
Chair: Roberto F. Ranola (Professor of Agricultural Economics, University of the Philippines LB)	
Presentation 1	Sang Gyeun Kim (Representative of KOFIH Cambodia Office) <i>“Building Health System in Southeast Asian Countries”</i>
Presentation 2	Hanbyul Shim (Research Fellow of SNU Asia Center) <i>“Knowledge for Practices: Configuring a Community Transition Center”</i>
Presentation 3	Eunhui Eom (Research Fellow of SNU Asia Center) Sinwon Yoon (Geography Teacher of Sungnam High) <i>“Voice of Future Generation: Activities for Climate Crisis in Korean High School”</i>
Presentation 4	Myung-Sun Chun (Assistant Professor of Veterinary Humanities and Social Science & Director of Office of Veterinary Medical Education, SNU) <i>“OneHealth, Collaboration and Communication for Health”</i>
Presentation 5	Ji Hyung Park (Professor of Environmental Science & Engineering, Ewha Womans University) <i>“Emerging Social-Ecological Issues in Urbanizing River Systems across Asia”</i>
Discussion	Discussants Hyun young Jee (Former Lawyer of Korea Green Foundation) Hyun Jung Park (Vice director, Institute for Climate Change Action) Rapporteur Sung Gyu Kim (Research Fellow of SNU Asia Center)

Recap Session (16:30~18:00)	
Chair : Joon Kim (Director of Future Earth Program, SNU Asia Center)	
All Participants	Session Summary Report by Rapporteurs Daehyun Kim (Professor of Department of Geography, SNU) Chuluun Togtokh (Director of Institute of Sustainability, Mongolian National University & Chair of Future Earth Mongolia) Sung Gyu Kim (Research Fellow of SNU Asia Center) <i>“Comprehensive Discussion and Common Agenda Building for Social-Ecological Perspectives on Health in Asia”</i>

Day 3, 11/13(Wed)

Satellite Session: Linking Platforms and Building Regional Hubs (09:00~12:00)	
Co-Chairs: Sandeep Maharaj (Professor of University of the West Indies & Planetary Health Alliance) & Joon Kim (Director of Future Earth Program, SNU Asia Center)	
Presentation 1	Ruzka Taruc (Assessment Team Leader, RISE Makassar - Public Health Faculty, Hasanuddin University, Indonesia) & Maghfira Saifuddaolah (Assessment Team, RISE Makassar - Public Health Faculty, Hasanuddin University, Indonesia) <i>“Revitalizing Informal Settlement and their Environments (RISE) in Makassar, Indonesia”</i>
Presentation 2	Seok Dokgo (Professor of Civil and Environmental Engineering, Dankook University) <i>“Engineers Without Borders: Lessons learned in Cambodia”</i>
Presentation 3	Chanhee Chae (Professor of College of Veterinary Medicine, SNU) <i>“Integrated Control of Transboundary Diseases (e.g., African Swine Fever, Foot and Mouth Disease) in Asian Countries”</i>
Presentation 4	Fumiko Kasuga (Global Hub Director – Japan of Future Earth & Senior Fellow of National Institute for Environmental Studies) <i>“Lessons Learned from Future Earth Health KAN”</i>
Presentation 5	Joon Kim (Director of Future Earth Program, SNU Asia Center) <i>“Engaging Emergence in Complex Systems: Dynamics, Principles, and Practices”</i>
All participants	Panel Discussion

Day 3, 11/13(Wed)

Special Event: Seoul National University-Yanbian University Joint Forum on the Health and Sustainability of the Korean Peninsula	
Opening Session (13:00~13:50)	<p>Opening Address & Chair: Soojin Park (Director of SNU Asia Center)</p> <p>Welcome Address Jong Ho Hong (Dean of Graduate School of Environmental Studies, SNU)</p> <p>Congratulatory Address Kyung Hoon Leem (Professor of Department of Political Science and International Relations & Director of Institute for Peace and Unification Studies, SNU) Shizhu Jin (Director of the Belt and Road Initiative & Northeast Asia Cooperation Research Institute, YBU)</p> <p>Featured Lecture Kisuk Lee (Emeritus Professor of Department of Geography Education, SNU) <i>“Remembering the Beginning of the Academic Exchange between Seoul National University-Yanbian University”</i></p>
Session 1. Perception and Assessment on Ecological Health in Korean Peninsula (14:00~15:35)	<p>Chair Shizhu Jin (Director of the Belt and Road Initiative & Northeast Asia Cooperation Research Institute, YBU)</p> <p>Presenters Jongsang Sung (Professor of Graduate School of Environmental Studies, SNU) <i>“Sangji(相地) as a Geographical Culture of Korea”</i> Yoosoon An · Soojin Park (Ph.D. Candidate · Professor of Department of Geography, SNU) <i>“An Assessment on Socio-ecological Health of Soil of the Korean Peninsula by Multi-Agent System for Land-use and Cover Change(MAS-LUCC)”</i> Da Zhang (Professor of College of Geography and Ocean Science, YBU) <i>“Urban Expansion in the Transnational Area of Changbai Mountain: A Scenario Analysis Based on the Zoned Land Use Scenario Dynamics-Urban Model”</i></p> <p>Discussants Daehyun Kim (Professor of Department of Geography, SNU) Ying Nan (Professor of College of Geography and Ocean Science, YBU)</p>
Session 2. Research and Policy for Environmental Restoration and Sustainability in Korean Peninsula (15:50~16:50)	<p>Chair Jongmin Byun (Professor of Department of Geography Education, SNU)</p> <p>Presenters Hak-gi Sohn (Research Director of Korea Rural Economic Institute) <i>“A Proposal for Northeast Asian Research Collaboration to Reconstruct ‘Sanjulgi’ Map of Korea”</i> Lan Li (Professor of College of Geography and Ocean Science, YBU) <i>“A Study on Ecological Evaluation and Conservation of the Wetland in Tumen River Basin”</i></p> <p>Discussants Eunhui Eom (Research Fellow of SNU Asia Center) Kang-Won Lee (Professor of Department of Geography, SNU)</p>
Session 3. Novel Approach to North Korea and Korean Peninsula Studies (17:05~18:30)	<p>Chair Hyunjoo Jung (Professor of Graduate School of Environmental Studies, SNU)</p> <p>Presenters Junghoon Lee (Director of Center for Peace & Border Studies, Gyeonggi Research Institute) <i>“Inter-Korean Exchange and Cooperation and Development of the Special Economic Zone on the West Coast”</i> Hoonchong Yi (Senior Research Fellow of Institute for Korean Regional Studies, SNU) <i>“Spatial and Temporal Variations of Ecosystem Services and Social-Ecological Sustainability in the Korean Peninsula”</i> Ilhong Ko (Research Fellow of SNU Asia Center) <i>“Ancient Maritime Exchange in the East Sea Rim: Recent Findings and Future Challenges”</i></p> <p>Discussants Shizhu Jin (Director of the Belt and Road Initiative & Northeast Asia Cooperation Research Institute, YBU) Bae-gyoon Park (Professor of Department of Geography Education, SNU) Yilsoon Paek (Research Fellow of SNU Asia Center)</p>

※ Special Event will be proceeded in Korean.
